REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Brookline:

I herewith submit my third annual report, the twenty-third in the series. I desire to cover briefly three topics; Policy, Personnel, and Recommendations.

Policy

Schools close one Friday night with the nation at peace. They reopen Monday at war. Instead of a helper, we are a participant with the other democracies. Naturally the policy of schools changes to meet existing conditions. As I see it, essential school services are not to be dropped but rather their emphasis changed. We dislike to think of abandoning the fundamental training but feel proud that we may have a part in directing pupil activities into desirable duties for our country's welfare and for post-war America.

What can the schools do to help? We are already salvaging waste paper and materials. We have helped raise funds for the Red Cross and other agencies. Health and physical efficiency are being promoted. We are making provision for the protection of pupils during Air Raids. We are re-emphasizing the ideals of democracy. We are helping to maintain the morale of our pupils at a calm and quiet level. We are definitely sustaining loyalty to America. We have even released workers to produce some of the products needed for the people. We hope to graduate some of the workers needed for war industries and services.

Personnel

"This subject is by far the most important matter educationally at the present time because there is a serious shortage of trained teachers and a more serious shortage of teachers about to enter training". Thus writes my predecessor in his first report twenty-two years ago. I might well have written the same sentence for this report.

As was true in his time so is it true now that low salary is largely to blame for the shortage. But added to this is the tremendous demand made upon labor, man or woman to fill positions in our war industries, governmental agencies, and the fighting forces. People who would become teachers are being attracted into other channels.

Brookline knows what teacher changes are and the difficulties of replacement. However, we were very fortunate to obtain the services of Mrs. Elizabeth Scully of Milford and Mr. Walter LeMieux of West Lebanon to replace Miss Katsiaficas and Miss Ouellette who resigned.

Recommendations

I hope that the budget as presented will be adopted, as it provides funds sufficient to maintain a fair level for salaries. Any reduction in the amount available for the teachers would seriously handicap you in obtaining desirable candidates.

I am very appreciative of the effective support given my efforts by the School Board, teachers, and citizens. A busy year has passed successfully. We have much to be thankful for as we face the uncertainties of the future.

Very respectfully,

HAROLD C. BOWLEY,
Superintendent of Schools.

REPORT OF SCHOOL NURSE

To the Superintendent, School Board Members and
Citizens of Brookline.

I submit a report of the school health program from
September 1941—February 1942.

Number of pupils examined	106
No. of pupils having defective teeth	55*
No. of pupils having defective vision	5*
No. of pupils having defective speech	2
No. of pupils having orthopedic defects	1
No. of pupils having impaired hearing	1
*2 Corrected	
*1 Corrected	

The pupils in all grades were given a good physical
examination by Dr. Abbott Winograd, School physician, in
the fall.

Pupils from the second grade up were given the audi-
ometer test in November. This proved gratifying to find
only one child with a slight hearing loss. In examining
the children, many were rated in Group Two in Nutrition,
possibly due to the fact that the majority carried cold
lunches. I feel that having the well balanced hot meal at
noon, will now help to overcome this condition.

Statistics also show the great need of a dental clinic
which I hope will materialize later in the spring.

Only through the cooperation of parents, teachers and
all connected with the schools, can a successful health pro-
gram be carried out.

Respectfully submitted,

HELEN J. HOUSE, R. N.,
School Nurse.
